

Grandview Heights Instrument Transportation Policy

The Grandview Heights Band Parents Association (“GHBPA”) provides transportation of instruments to Band Camp, away football games, and other performance venues. GHBPA volunteers do this without compensation for time and labor, and solely as a convenience to band students and parents. Band students and parents are under no obligation to use this service and may make their own arrangements for transportation of their instruments. Band students and parents understand that, if the instrument owned by or assigned to a student is transported by GHBPA members and damage to the instrument results, **that student and/or their parent is responsible for the cost to repair any such damage.** Parents may wish to contact their personal insurance company regarding coverage for the instruments belonging or assigned to their student. Please contact Mrs. Olis with any questions regarding this policy, or for information regarding the value of your student’s instrument.
