DID YOU KNOW?

The GH Band & Orchestra Boosters provide financial and administrative support for all instrumental music students in GH schools, including our orchestral groups. In the past 12 months, we have supported the OSU field trip for 5/6 students last December, the ProMusica partnership and concert attendance for 7th through 12th grade orchestra students in March, and the group adjudication event before the Kings Island field trip in May. We also provided senior recognition for our graduating orchestra students, arranged for concert t-shirts for our middle school orchestra students, and prepare concert programs and provide communications support for the orchestra director and parents. We are eager to continue to grow and develop our orchestra groups, and welcome input and participation from our orchestra families. For more information, visit our web site at grandviewhtsband.org, or email us at GrandviewHeightsBOB@gmail.com.
