**DID
YOU
KNOW?**

Since 2022, the **GH Band & Orchestra Boosters** has provided administrative, financial, and volunteer support for all instrumental music students in GH schools, including our orchestral groups. In the past 12 months, we have supported the OSU field trip for grade 5/6 orchestra students in December, the ProMusica partnership and concert attendance for 7th through 12th grade orchestra students in March, and the group adjudication event before the Kings Island field trip in May for grade 7/8 orchestra students. We also provided senior recognition for our graduating orchestra students last May, arranged for bulk purchase of concert t-shirts for our middle school orchestra students in the fall, and prepare concert programs and provide communications support and a discretionary budget for the orchestra director year 'round. We are eager to help grow and develop our orchestra groups, and welcome input and participation from our orchestra families.
