- MANY THANKS -

Along with Mr. Stanley, the Grandview Heights Band & Orchestra Boosters want to say a big THANK YOU to the **Grandview Heights/ Marble Cliff Education Foundation** for a significant grant which will allow Mr. Stanley to substantially add to the orchestra program's library of sheet music this year. Our program has been growing over the years, and our students were asking for a greater and more challenging variety of music to play. Thanks to the generosity of the GH/MCEF, Mr. Stanley is now working on providing just that.

We would also like to thank GH alumni **Warren Klink** and **Carolyn Wyman** for their generous donation to the orchestra program! With their donation, Mr. Stanley was able to purchase new music stands, a new conductor's chair, a top of the line tuner/metronome/drone, and new strings and bows for the high school cellos and basses. The donation also funded a visit from Dr. Robert Gillespie who is a co-author of the book *Essential Elements* which the students use in class every day, and who taught string pedagogy at The Ohio State University for many years. The orchestra program is thriving thanks to the help of the Klink family and GH/MCEF.
