A note from Mr. Stanley to the 8th grade students:

It has been an absolute pleasure seeing all of you grow into wonderful young people. To see you all grow on your instruments is nothing short of amazing - from learning bucket drums, ukuleles and "Chester" in 4th grade, to our first concert of our 8th grade year. I hope you all have learned something valuable about yourself through your instrument and cherish these middle school memories for the rest of your lives. I am so proud of all of you and I sincerely hope all of you join the high school orchestra next year. Let's finish our year strong and have a great concert!
