

Dear Parents/Guardians:

Blue Lake Fine Arts Camp is a non-profit summer school of the arts specializing in two-week arts programs for intermediate and high school students. Phil Loudon, Ohio Scholarship Representative from Blue Lake Fine Arts Camp will be visiting our school on Thursday, March 10th and Monday, March 14th to evaluate students for scholarships and share some information about Blue Lake's summer camp.

Any student who auditions will be considered for scholarship aid toward tuition to attend the camp. The camp is open to all music (vocal and instrumental), drama, and art students.

Vocal and instrumental students can play a piece for the class literature. Art students will need to share 3-4 samples of their art work (photos of work would be acceptable). Drama students should come with a 1-2 minute monologue to present. Dance students must audition at a regional site for scholarship consideration.

To speed up the application process, you are invited to complete an online application using this link: <https://forms.gle/kNyYpreNkc2xg6ka6>

You will need to know the school address and phone to complete the application along with basic contact information.

You will be applying for a Merit Scholarship and you live in Franklin County.

Blue Lake offers a wide variety of scholarships based on merit, audition, and financial need. About 3 weeks after your child auditions, you will receive a packet with the audition results.

The audition does not obligate or enroll your child in the camp. Should your child choose to attend the camp, information will be sent to you with your child's scholarship offer via email provided.

If you would like more information about the camp, check out Blue Lake's website at: <http://www.bluelake.org>.
