

October 16, 2018

Dear Senior Parents:

The Grandview Heights High School Athletic Department cordially invites you to be recognized at the "Senior Parent Night – Football, Cheerleading & Band", Friday, October 26, 2018, at the home football game against Columbus Academy. We will recognize parents of senior Football, Cheerleaders, Cross Country, Golf and band members. Please be at the high school front Hallway 6:00pm, where we will organize, pin on flowers, and line up in the order you will be announced at the stadium.

We will walk to the stadium together. As you are being introduced, you and your son or daughter will walk along the 50-yard line from the visitors' side to the home side. You will then walk to the north end of the field and form the two lines that our football team runs between as they enter the field for the game.

We hope you will be able to participate in this recognition ceremony. In order to get an accurate count for flowers and to get the line-up established, please let us know by Monday, October 22nd, if you can or cannot attend.

Sincerely,

Brad Bertani  
Athletic Director  
Grandview Heights High School
