

Dear Concession Stand Band Parents,

Thank you very much for volunteering to work in the concession stand. We sincerely appreciate your help.

Please observe the following rules. There are just a few, but they are important and must be followed.

(1) Report for your shift 5 minutes before your start time, and plan to stay until the end of your shift, unless we excuse you early. We rely on you to be there for the full shift unless we are not busy (which is rare). If you are signed up for the second shift, we need you to help us clean up at the end of the night.

(2) Do not bring children into the concession stand or the grill area. We understand that you may want to keep your younger children with you while you work, but there isn't enough room and there are hot machines and equipment being used in the stand. Do not bring friends into the stand or the grill area. Space is limited, and when we get busy we just can't have extra bodies taking up that space.

(3) Do not bring outside food into the concession stand for the purpose of preparing the food in the stand or on the grill. The only food that may be prepared in the stand or on the grill is the food that we stock in the stand and that is for sale to the general public.

(4) If you have a schedule change and cannot be there for your shift, please arrange for another Band Parent to take your place (if at all possible) or call Pam or Krista right away, so that we may look for a substitute.

Thank you for your understanding, for following these rules, and for so generously giving your time to help raise funds to support our Marching Band Bobcats.
