

2022 GHHS BAND CAMP LUGGAGE CHECK VOLUNTEER INSTRUCTIONS

- Check-in is in the (OLD) Middle School commons; please arrive by 1pm (the first group of campers may arrive at 1:15 pm).
- Girls will have their luggage checked on one side of the commons, boys on the other side.
- All bags need to be checked, including instrument cases, any carry-on items, and all snack/lunch bags.
- Please do a thorough search of each bag. This may require removing items from bags that are packed full and asking the camper to repack a bag after check.
- Open liquids are not permitted, so all water/juice bottle caps must be sealed, and reusable water bottles must be empty. Please ask the student to dump any liquids in unsealed containers.
- Campers may not carry any of their own medication (including OTC medications). All medications must be checked in separately with the camp nurse.
- Once checked, tie a piece of yarn on each bag handle (including carry-on items and instrument cases).
- Checked bags and instruments are placed near the doors for loading onto the bus.
- Students may keep one carry-on bag with them (along with snacks/lunch) after bag check while awaiting departure. The carry-on bag should also be checked, and a piece of yarn attached.

THANK YOU SO MUCH FOR VOLUNTEERING!
