

2022 GHHS BAND CAMP CHAPERONE INSTRUCTIONS

PLEASE TAKE PICTURES AND EITHER POST THEM TO FACEBOOK GROUP YOURSELF OR SEND TO GRANDVIEWHEIGHTSBPA@GMAIL.COM AND WE WILL POST THEM FOR YOU.

LOCATION: The students (and you) are staying in 25 West Home (25 W. Home St.), marked with #61 on the map at the bottom of this page. The evening rehearsal takes place at the area helpfully labeled “Practice Field” near the top center of the map, on West St. We recommend driving by the rehearsal field upon your arrival, to see whether the students are still practicing. If so, you may stop there and find Thomas Stanley (see “Room Key” below), before proceeding to the dorm. If the students have already left the rehearsal field, you will need to call or text Mr. Stanley (614-822-1011) at that point, to determine where the students are.

PARKING: You may park your car overnight in any campus lot (marked with blue and white numbers on the map below). We have been advised that you should take care to avoid city lots or street parking, where this may not be permitted.

ARRIVAL: The students will be on the field after dinner until the evening activity (different activity every evening, see schedule below). Please plan to arrive on campus around 8:00pm, or earlier if you want to catch some of rehearsal. NOTE: Tuesday evening chaperones may wish to arrive a little earlier or else proceed directly to the [Westerville Jaycees Pool](#) (230 S. Otterbein Ave). The facility is booked from 8pm to 10pm that evening and is approximately a one mile walk from the dorm, so rehearsal will end a bit early to allow time to change and get to the pool by 8pm.

ROOM KEY: Thomas Stanley is the keeper of the keys for the chaperones, so he will give them to you in the evening with a list of where all students, chaperones and staff are staying on your floor. You may return them to him when you leave in the morning or slide them under his door (room #114).

ROOMS: A chaperone will be placed on each floor in a single room. Bring your own bedding (pillow and sheets or a sleeping bag), and any shower, toiletry, or personal items you may need.

BAND STAFF: There will be adult band staff staying on the floor as well, but we hope to let them sleep. It is your job to make sure the students stay in their rooms after curfew, which is typically around 11pm. Mrs. Olis (740-590-8085) is available if you need her – but again, please do your best to resolve situations without her help first. Basically we are asking you to be a parent and use your best parent judgment. Examples of events for which you should contact Mrs. Olis immediately include:

- Student or staff medical emergency
- Student smoking, vaping, drug, or alcohol use
- Student hazing, bullying, or other harassment activity
- Students sneaking off campus or otherwise unaccounted for

RESPONSIBILITIES:

- Walk with the students to, and help to supervise, the evening activity (different each evening).
- Check in with Mrs. Olis/Mr. Stanley for specific assignments for the evening activity.
- Stay on the floor where you are assigned upon return to the dorm.
- Chaperones must follow the same rules of conduct as the students. Please remember you may not smoke or drink alcohol in the dorm.
- No ordering food for delivery (feel free to bring snacks/food of your own with you, however).
- Stay on your floor after 11pm and make sure the students stay in their rooms. They are not permitted to go to other rooms or floors after 11pm.
