

## 2022 GHHS BAND CAMP SUNDAY AND FRIDAY VOLUNTEER INSTRUCTIONS

*These instructions are for volunteers who are assisting with checking in students  
and loading/unloading luggage.*

### ON SUNDAY 7/24:

- Please arrive at the OLD Middle School commons by 1:00pm (the first students may begin arriving at 1:15).
- Find **Dot Keil** (614-352-3272) or **Julie Rutter** (614-314-8481) and let them know what job you are there to do.
- The **volunteer checking in the students** will be the camper's first stop. You'll have a roster of students attending camp which will note any missing paperwork. Gather missing paperwork (and give to Dot for inclusion in the Band Camp binder). Check student's name off the list and direct him/her to appropriate luggage search station. If they have medications to check, send them to the nurse's station first.
- **Luggage search volunteers** (who received separate instructions) will search students' bags, carry-ons, and instrument cases. After the search is completed, the volunteers will "mark" each searched bag with a colored piece of yarn on the handle. Large bags and instrument cases will be placed near the doors for loading onto the truck.
- **Luggage loading volunteers** should ensure all large items have a colored yarn marker on the handle, and then take them from the commons and load them on the truck.

### ON FRIDAY 7/29:

- Please tentatively plan to arrive at the OLD Middle School around 12pm, as the students are expected back about then. However, we strongly encourage you to join Mrs. Olis's Remind list (text @ghmb21 to 81010) for updates, and you can adjust your arrival time accordingly.
- Meet the truck and assist with unloading all items for the students to pick up and either put away or take home. Please wait until all the students have departed, to ensure nothing is left behind!
- Any unclaimed items should be provided to Mrs. Olis for safekeeping.
